FROM THE SOCIALS COMMITTEE

We hope you all will join us at DUUF's Late Summer Potluck Lunch following the service on Sunday, September 9th. Bring along stories about your summer adventures, as well as a favorite potluck dish to share with one and all.

Sunday morning programs at our Fellowship

As most of you know, we are a lay-led fellowship, which means that we are responsible for each Sunday service throughout the year. The advantage of this model is that we can bring a rich set of resources to our Fellowship each Sunday morning. The challenge is that members of the program committee need to find, invite, and host about 35 individuals each year. Being a part of the group that arranges these weekly programs is a rewarding experience. We are currently looking to add two people to our committee. Consider the benefits for both you and the Fellowship community from this opportunity. Please consider bringing your perspective, skills, and commitment to this important work.

We are also interested in engaging members and friends of the Fellowship as a Sunday morning speaker. Do you have a subject that you would be appropriate for a service? We would be happy to talk with you about the possibility.

Contact me for more information.

Our Mission Statement

The real test of our religion is the way we live our lives. The Durham Unitarian Universalist Fellowship affirms the seven principles of Unitarian Universalism:

We seek to be a place in which each person's unique worth and beliefs are acknowledged and respected and where each person's voice may be heard – a place in which each may freely explore his or her own spiritual path.

We join with others in reaching out to make the world more just, and commit ourselves to caring for the earth and all that makes up the web of life.

We strive to be a source of inspiration, a forum for intellectual exchange, a wellspring of comfort to those in need and a nurturing, supportive community for each other and our children.
